Their conference line had a problem and I was delayed getting on. After I got on, it went well, but Rebecca Sawyer or Alison Jones were out. They did have a number of comments that we did not have a ready response for. We focused on resolving the items on their agenda, and I scheduled another conference call for next Thursday to allow time for Jim and I to discuss what we can accept and what we can't. This was agreeable to Stephen, and Rebecca and Alison will be back. If there are items of significance that I need to discuss with you, I will know by Tuesday, 8/29, and follow up with you and Audrey.

I am working on the Schedule and checklist of work left to do.

Thanks, Nancy

Hi Nancy, how did your call go yesterday? Seemed like a lot of written comments from them, but many were fairly minor. I'm curious if there are any significant issues to resolve as we proceed to proposal.

Thanks,
David

Hi Nancy,

I am not planning to attend the call. I would recommend getting their input, resolving matters that can be readily resolved, and deferring any matters that require further internal discussion.

Thanks,

David

Hi David,

Are you interested attending the Excelsior call on Thursday? We will be discussing draft permit conditions with Excelsior, and Audrey will be out.

Thanks, Nancy
